Women's Council of REALTORS® Values

- **The Power of Relationships**—Success in business today is achieved through positive, productive relationships. The Women's Council of REALTORS® provides an environment of collaboration in which members can form, build and maximize relationships for business and personal success. When members share their time, talent and experience, the entire industry is advanced.
- **Professional Credibility**—Members of the Women's Council of REALTORS® are established career professionals. We operate based on a shared value system of integrity, respect, consistency and a commitment to excellence and continuous development.
- **Diversity**—The membership experience is enriched through the celebration of and active outreach to the full diversity of our industry. At the same time, the strength of the organization lies in what unites us all - our shared values.
- **Participation**—Active participation increases membership value. Participation in the Women's Council of REALTORS® is the opportunity to contribute to change, and to be changed, personally and professionally.
- **Success**—Success in business brings credibility, influence and greater opportunity. For women, especially, wealth creation through business success also leads to long-term financial security, greater independence, and more quality of life choices.
- **Influence**—Positive change will come from the greater inclusion of the women's perspective in positions of influence in the real estate industry and in the broader community.
